

## Symposium *How to foster responsible research practices?*

September 23rd, 2022

Vrije Universiteit Amsterdam, Auditorium (Main Building)

Rolf Wijburg (<https://www.weijburg.nl>)

On September 23, 2022 the Netherlands Research Integrity Network (NRIN) organizes a symposium accompanying the valedictorian lecture of NRIN initiator and founder Lex Bouter, professor of Methodology and Integrity from the Amsterdam UMC and Vrije Universiteit. The symposium is designed around three themes, focusing on the different stakeholders in fostering responsible research practices: institutes, funders and journals.

This symposium is open to all researchers with an interest in research integrity. Participation is free and possible on location and online. The symposium in the Auditorium ends around 15:00 and is **followed by Lex Bouter's valedictorian lecture 'Why Research Integrity Matters' in the Aula from 15:30.**
